- Note:** Includes a three (3)-month prepaid subscription. Service is not available in Alaska and Hawaii.
- Note:** Trial length and service availability may vary by model, model year or trim.
- Details:** SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.  
© 2020 Sirius XM Radio Inc. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.

<sup>3</sup> Removal of any door will deactivate the Rear Seat Occupant Alert feature

      - Note: Enables compatibility with FordPass™ Performance App with Off-Road Navigation

<sup>1</sup> Navigation services require SYNC@4 and FordPass Connect™ (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 1-Year Subscription of navigation services when an eligible vehicle is added to a member's FordPass account. Trial period begins on the new vehicle warranty start date. At the end of the complimentary period, navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

<sup>2</sup> Standard feature on Big Bend™ Series

      - Dynamic Brake Support
    - Rear View Camera with Backup Assist Grid Lines<sup>2</sup>
      - Note:** Enables compatibility with FordPass™ Performance App with Off-Road Navigation

<sup>1</sup> Navigation services require SYNC@4 and FordPass Connect™ (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 1-Year Subscription of navigation services when an eligible vehicle is added to a member's FordPass account. Trial period begins on the new vehicle warranty start date. At the end of the complimentary period, navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

<sup>2</sup> Navigation services require SYNC®4 and FordPass Connect™ (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 1-Year Subscription of navigation services when an eligible vehicle is added to a member's FordPass account. Trial period begins on the new vehicle warranty start date. At the end of the complimentary period, navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

<sup>3</sup> Standard on Big Bend™ series

<sup>1</sup> Aftermarket installed VHF radios operating in 30-75MHz range may experience possible noise or interference
